We believe that all children can achieve and that there is a common concern that students want and need challenges to reach their full potentials. We further believe the relationships between student and student, student and teacher, teacher and administrator, faculty and community, should be on of mutual respect for the rights and opinions of members from each group.

A MESSAGE TO THE PARENTS

Your objectives as a parent and the objectives of the school in respect to your son or daughter are the same; to give him or her the best possible guidance toward the realization of his or her highest capacities. To accomplish that goal, full cooperation between home and school is essential. The following suggestions are intended to help you make the fullest possible contribution to your child's success in school.

1. **REGULAR AND PUNCTUAL ATTENDANCE** is the greatest single factor in school success; therefore, your first concern should be to see to it that your son or daughter attends regularly.
2. You may further help the school to serve your child's interest by:
 - a. Making it your business to know you child's teachers.
 - b. Calling the office to report absences.
 - c. Writing full explanations with dates of absences and signing them yourself.
 - d. Studying his or her progress reports and report cards carefully.
 - e. Refraining from telephoning students during the school hours except for emergencies.

HARASSMENT AND BULLYING

It is the policy of this school district that harassment of students by other students, personnel, or the public will not be tolerated. This policy is in effect while the students are on school grounds, in school transportation, or attending school-sponsored activities, and while away from school grounds if the misconduct directly affects the good order, efficient management, and welfare of the school district.

As used in the School Bullying Prevention Act, "harassment, intimidation, and bullying" means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another student, damage another student's property, place another student in reasonable fear of harm to the student's person or damage to the student's property, or insult or demean any student or group or students in such a way as to disrupt or interfere with the school's educational mission or the education of any student. STUDENT ATTENDANCE AND ABSENTEEISM

The policy of Hartshorne School District is that attendance at school is the responsibility of students and their parents. All students are expected to attend school regularly and to be on time for classes in order to benefit from the instructional program and to develop the habits of punctuality, self-discipline, and responsibility. There is a direct relationship between poor attendance and class failure. Students who have good attendance generally achieve high grades and are so much more employable to after leaving high school.

The terms “excused” and “unexcused” are not used. Students will be given a minimum two days for each day missed to make up work. It is the responsibility of the student, not the teacher, to make arrangements for make up work. After 9 absences from any class period during a semester, the teacher will fill out a form letter and forward it to the principal. A copy of the letter will be filed and the original mailed to the parents.

After the tenth (10) absence from any one class during the semester, the student will be required to make up time after school or attend Saturday school. If a student fails to make up time they will receive an “F”. There will be no exceptions other than catastrophic circumstances as determined by the Principal. School activities are exempt and will not count toward the total ten absences. However, a student should not be encouraged to participate in school-sponsored activities if he or she has excessive absences.

Parents will call, preferably the day the student is absent, with the reason the student is not in school.

CLOSED CAMPUS POLICY

All students will be required to stay on campus. No exceptions will be made unless the student’s parents or legal guardian for some special reason needs the student. The student’s parent or legal guardian may come to the Principal’s office in persona and sign the student out.

All vehicles on Hartshorne campus are subject to canine sniff search. If detection is made by the dog, this gives reasonable suspicion for administration or a designated employee to search the vehicle for items. “Students who drive a vehicle onto school property do so as a privilege afforded them by the School District and not as a right. Accordingly, any student who drives a vehicle of any kind to school and parks that vehicle on school property, is deemed to authorize a search of such vehicle by the school principal or his/her designee at any time and for any reason deemed appropriate by the school principal or the Superintendent of Schools. Any students who refused to peaceably submit his or her vehicle to a search when requested to do so may be suspended for such refusal and may thereafter be denied the right to drive his or her vehicle onto school property. The student’s parents will be called and, if they also refuse to allow a search of the vehicle, the police will be contacted.”

LOCKERS

Students have no reasonable expectation of privacy towards school administrators or teachers in the contents of school lockers, desks or other school property. School personnel shall have access to school property in order to properly supervise the welfare of students. LEAVING SCHOOL WITHOUT PERMISSION

ALL STUDENTS

Students that leave school after once arriving on campus must sign out in the high school or junior high office. If students don't follow this procedure they will be disciplined.

TARDINESS

Tardiness is not a good habit. Illness or emergencies are excusable. Excessive tardiness will result in appropriate disciplinary action.
